Autumn Inspirations

As warm summer days give way to the crisp, cool air of autumn, celebrate the harvest season throughout your home. From neutral color palettes to organic and recycled products of natural beauty, the following products are designed to get you in the mood for staying warm and cozy this fall.

In keeping with the warming trends of the season, these new limited edition textural **CABLE KNIT TROWS** from award-winning New York-based luxury sweater and knitwear brand **Lutz & Patmos**, exude comfortable luxury and timeless style. Fashioned in soft and lofty 65-percent acrylic/35-percent wool in rich fall colors, they're perfect for snuggling up on the couch on a chilly autumn afternoon. \$89.

AVAILABLE AT WEST ELM

This elegant harvest-inspired collection by **JULIA KNIGHT** is made of sand-cast aluminum with hand-painted pearlescent enamel. Each bowl features color that was applied by the hand of a skilled artisan and enamels that are mixed with crushed Mother-of-Pearl to give each piece depth and beauty. \$62 to \$225.
