Timothy Table Lamp This curvy piece pairs a silver-finished porcelain base with a painted parchment shade. (Make any lamp more eco-friendly by replacing a standard light bulb with a compact fluorescent bulb.) HW Home, Denver and Boulder, hwhome.com.

Assorted Pillows Made using low-impact dyes by a company committed to sustainable manufacturing practices, these pillows add subtle style to any room. dwellstudio.com.

InModern Surfin Side Table: This playful table is made from earth-friendly wood and non-toxic finishes. Available through Invironments, Boulder, invironments-design.com.

FC-1528 Sofa by DellaRobbia (Focus One Home Collection): With a frame made from 100 percent FSC-certified wood, fill consisting of natural feather and fibers, and water-based adhesive, this sofa is one Mother Nature would love. Available through Invironments.

Celine by DellaRobbia: Put your feet up and enjoy the satisfaction of owning an eco-chic ottoman. Available through Invironments.

"Dots" Rug: Free of volatile organic compounds (VOCs) and formaldehyde, this rug works in a kids' room as well as a more sophisticated space. dwellstudio.com.

Nathan Chair by DellaRobbia: Sleek lines and earth-friendly materials make this chair an excellent addition to any home. Available through Invironments.

Needle-nose Bottle Vases by Roost; Organic Nested Trays by Gus Design: Put recycled glass artisan vases on recycled plastic, food-safe trays for a simple update. Available through Invironments.

Tripod Floor Lamp by EQ3: Great angles, simple design. (Don't forget the CFL bulb.) Available through Invironments. □
