## A.LINE Boutique

"Greenwood Village has everything we were looking for," remarks owner/buyer Sara McLaughlin. "A great new development to open in, a lack of retail in the area, and the demographics of the residents fit well into our target market," adds Mary Alice Malone co-owner/buyer. A.Line offers a great environment for shopping and up-to-date fashions for every season. Women's contemporary and designer clothing and everything from jeans and tees to cocktail dresses and business suits are offered. What distinguishes A.Line is the variety of styles available in one place (a "one stop shop"). Also outstanding customer service will make your visit worthwhile.....Where else can significant others sit down, enjoy a beer and watch a game while the ladies shop?

## Ella Bleu Incorporated

Owners Kim and Thierry Inghilterra introduced Ella Bleu, an exclusive and trendy boutique, as a beacon of style for all of Colorado to experience. "The Landmark presented an upscale community feeling in the great City of Greenwood Village," shares Kim. The boutique's glamorous crystal chandelier is just one way that Ella Bleu puts fun and enjoyment back into fashion. From the 2003 launch of their store in Lowry, Ella Bleu has now enveloped the Village with its unique luxury, fashion, wit, and beauty. Women's apparel, home accents, bath and beauty and children's (infant to age six) clothing adorn the Landmark location. Many of the lines that are carried are exclusive in the Denver area and the customer service is beyond exceptional!
