COMING HOME

HW HOME

Unique and unusual pieces can be found at this store, which features furniture and accent items. Newer introductions include a line of hand-blown wine goblets hailing from the Czech Republic. HW Home is the only store in Colorado to carry this line. hwhome.com

SECRET GARDEN

BLACK TULIP ANTIQUES

Featuring a variety of 18th- and 19th-century European home decor items, this Denver shop opens its garden every spring to showcase architectural antiques alongside newly planted flowers. blacktulipantiques.net

MOVING UP

CARLA'S A CLASSIC DESIGN

Recently relocated to a larger location, this shop defines itself by form and function following passion. Through that passion, interior design consultations are offered as well as artwork, furnishings and accessories for purchase. aclassicdesign.com
