

## ADDISON DINING TABLE

SKU: MOD5000-7

Solid and stately, the Addison Dining Table uses fiber-reinforced concrete to create a modern foundation for entertaining. Its blend of granite stone powder, natural jute fibers, and Portland cement has been sealed to create a smooth surface. Over time the indoor-outdoor piece will develop a unique patina and personality, reflecting the surprising evolutionary nature of its industrial material. Also available in 6' and 8' lengths. Dimensions: W 83" x D 40" x H 30"
