

GAELAN LAMP

SKU: TER203

The traditional stacked lamp design gets an organic, modern update with The Gaelen. An antique brass foundation presents stacked mercury glass that perfectly circumnavigates its frame, breaking between pieces to expose the underlying sheen. Each glass ring features a frosted finish to lend a textural element that enhances the overall aesthetic. A great addition to a bedside table. Topped with an off-white linen drum shade with off-white cotton lining and an acrylic sphere with antique brass finial. Finish will vary
