

REUSE, RECYCLE AND HELP YOUR COMMUNITY

HW HOME IN PARTNERSHIP WITH PROVIDER'S RESOURCE CLEARINGHOUSE

HW Home is dedicated to making the world just a little more comfortable everyday. We thank you for selecting one of our styles and inviting us into your home. As our White Glove Team is in your home installing your new interior, you have the opportunity to help social service non-profits in your community with your gently worn old styles.

HW Home has partnered with **Provider's Resource Clearinghouse (PRC)** to assist you in donating to many social service programs in need. PRC has diverted over 75 tons of materials from landfills and "socially recycled" them. "Social recycling" is making sure that items no longer needed by the original owner are put to responsible use by another person or organization.

PRC was founded in 1993 by a group of community leaders from the business, faith and nonprofit sectors who wanted to bridge the gap between struggling human-service providers and businesses seeking to serve the community through donation of goods. Since that time, PRC, a 501(c)(3) organization, has refurbished and redistributed more than \$22 million dollars worth of goods and supplies to over 1,200 community agencies throughout the Denver metro area.

PRC accepts donations from corporations and individuals of new and lightly used office and household furnishings plus new office and household supplies. PRC finds new life for the items by recycling or redistributing them to other nonprofits and those they serve for a small fee.

In Fiscal Year 2007-2008, PRC |

- Distributed **\$1.3 million** worth of in-kind goods to **246 nonprofit agencies**;
- Provided furnishings directly to **489 low-income households**;
- Provided goods to **437,000 individuals** in need through our member agencies;
- **301 businesses and individuals** provided donations and services
- Provided vocational employment and training to **120 individuals** with a chronic and persistent mental illness.

Making a donation of your unwanted furniture is easy |

- When you are working with an HW Home Design Consultant, inform us that you have items to donate. (Please note, we respectfully request that only items that are gently worn be donated. Any items that are torn, damaged, soiled, or unusable place undue financial burden on PRC.)
- Please fill out the form following this greeting and either fax into HW Home or give to your HW Home Design Consultant.
- When your HW Home styles are delivered, our Delivery Team will remove the items you have designated for donation.
- Once these items are received and inspected by PRC, your donation acknowledgment will be mailed to you by PRC.

Thank you for your generous support.
