

EQUUS SCULPTURE

SKU: BGW234

A compelling composition that explores solid form and negative space, the Equus Statue boasts precise cut-away features that only serve to underscore the robust shape that remains. The viewer, of course, instantly comprehends the countenance of a proud stallion, but a longer look results in a deep appreciation for the artistry at hand, from the effortless way the bronze-finished iron seemingly defies gravity atop its marble base, to the exacting curves abstracting the Equus's metallic silhouette in bronze. A bold and tasteful design for any well-appointed desk, shelf, or tabletop. Dimensions: W 13.5" x D 5.5" x H 10.5"
