After serving as a war photographer, Slim Aarons turned his lens to a new landscape: the glamorous lives of Hollywood elites, Palm Beach socialites, and jet-setting debutantes and princes. Aarons famously described his subjects as “attractive people doing attractive things in attractive places.” More than just portraits, his photographs encapsulated a luxurious way of life. Today, we are proud to share Slim Aarons' timeless work, offering a glimpse into the elegance and sophistication he so marvelously captured. Dimensions: W 36" x H 36"
