

## Pliego Cocktail Table

Short Description: Sustainably Sourced

SKU: TAR8011

**\$2,850.00**

A true statement in sustainable luxury, the Pliego Cocktail Table is a couture-crafted piece born from the thoughtful reuse of nature's fallen beauty. Sourced in partnership with Mexican forestry programs, each table is made exclusively from dying or naturally fallen trees—no live trees are harvested. The result is a sculptural form where rounded and cornered edges meet in seamless harmony, showcasing striking grain variations and soft curves that feel both grounded and elevated. Each table is one-of-a-kind, echoing the raw beauty of the wood itself. Every piece is part of a full-circle design story: offcuts from the table-making process are transformed into artisan-crafted vases, trays, and accessories—ensuring every inch of material is thoughtfully used and nothing goes to waste. This is more than a cocktail table—it's functional art with a conscience. Dimensions: W 63" x D 43.25" x H 17.75"
