
"Warden Of Dreams" Sculpture

Short Description: One-of-a-kind

SKU: PHI3013

$16,950.00

The Warden of Dreams Sculpture is a dramatic floor-standing art piece that commands attention through its impressive scale and intricate craftsmanship. Its elongated, organic silhouette is layered with richly textured materials and a vibrant blend of c olors that create depth, movement, and visual intrigue from every angle. The sculptural form rises from a simple metal base, allowing the artwork itself to remain the focal point. Both contemporary and expressive, this statement piece brings a gallery-i nspired presence to large residential or commercial interiors.Please note: Due to the handcrafted nature of this piece, variations in color, texture, and finish may occur, making each sculpture uniquely its own.Dimensions: W 28" x D x 16" x H 90"
