Francis 4 is an abstract artwork that explores contrast, movement, and layering through expressive washes of deep navy, charcoal, soft ivory, and muted beige. Fluid brushstrokes and vertical drips crea te a sense of depth and spontaneity, while the interplay of light and dark tones gives the composition a bold, contemporary presence. The organic forms and painterly texture make this piece a striking focal point, whether displayed in modern, transitional, or eclectic interiors. Finished with a black frame, FRANCIS 4 brings both drama and sophistication to the space.Dimensions: W 40" x H 60"
