

HAND CREAM

SKU: FAP1053

Cucina Regenerating Hand Cream features three extracts that combine all the benefits of the olive tree to infuse skin with moisture and maintain its elasticity. First cold pressed olive oil and olive unsaponifiables are a treat for hands dried out from frequent washing. Olive leaf extract locks in moisture to rejuvenate a chef's damaged skin. It's hand care designed especially for the kitchen! This fragrance captures the gentle spirit of the sun-kissed Mediterranean. Fresh notes of Amalfi Lemon paired with aromatic Cypress give way to a warm and delicate fleur de sel heart. Dimensions: 5 oz
