

## HORIZON IN MARINE

SKU: ASD2010

These textiles are hand-dyed, etched, and painted one at a time. No two are alike and each celebrates the botanicals that inspired them. Touch them and you will feel how each branch, leaf, and blossom is engraved deeply with exquisite detail exactly as they would be in nature. These award-winning pillows are hand-sewn, lined in silk, and backed in silk dupioni. Dimensions: Dia. 20"
