

## JONATHAN SIDE TABLE

SKU: MAD1080

This piece is designed with two seemingly opposite materials to make one stunning, cohesive table. The Jonathan is a perfect display the ingenuity of combining man-made white resin with the organic beauty of teak logs. The wood's rings create the pattern on its top surface, while the knotty lengthwise cross sections can be seen on its sides. Dimensions: W 14" x D 14" x H 19"
