

SILVER MIRRORED DEMIJOHN

SKU: ETY1005

The gently sloping sides of this vintage recycled glass demijohn hints at its rich history. Mouth-blown into authentically inspired molds, these recycled glass jars are handcrafted, retaining the original character of the artisan who created it. The storied past of these vintage glass containers lends the glass bottles to be a centerpiece for display and conversation.Dimensions: Dia. 10" x H 22"
