

SKI HOUSE REED DIFFUSER

SKU: LAF1040DIF

Kick the snow off your boots and find a spot near the roaring fire. It crackles and spits as it settles down for its long, slow shift, but its smoky remains will continue to comfort long after its final embers have grayed. Smoky frankincense blankets cozy notes of leather, sandalwood, and pine. Crafted with premium quality fragrances and delivered in a beautiful handblown art glass vessel with hand-cut reeds, our Feu de Bois, Ski House diffusers fill your home with luxurious fragrance. Dimensions: 15 oz.
