Tiny squares of bone, resin, and Sheesham wood form the design for this magnifier named for Gustav Klimt. The name comes from the tiny texture and details found in one of Klimt's most famous paintings, The Kiss, where the hand painting on the robe of the man and woman have a similar look and feel to these tiny square forms. Solid brass castings hold the magnifying glass in place. Dimensions: W 12.5" x D 5.75" x H 2.5"
