

## ULRIC TABLE LAMP

SKU: TER1325

A delicate take on abstract expressionism, this lamp demands attention in the space it occupies. The gourd-like ceramic base is finished in greige with a hand-splattered denim reactive glaze that glistens when in use. Raised on a gunmetal base that works to accent the neutral colors. Topped with an off-white linen drum shade with off-white cotton lining and a matching ceramic finial. Finish may vary. Overall Dimensions: Dia. 15" x H 29" Socket Type: Type A- E26, 3-Way Switch Location: At Socket Switch Type: 3-Way Rotary Voltage: 110-120 Volt
