

## PUTNEY TABLE LAMP

SKU: TER1330

Utterly fantastical in its study of shape, this lamp is anything but ordinary. From every direction, the silhouette reveals three stacked rounded forms—cylinder, disk, and cone—to showcase angular composition and balance. It has a mid-century feel, but its deep antiqued aluminum finish offers a new take on the style. It's a bit small in scale, so it makes for a handsome task lamp. It is topped with a tapered linen shade in ivory with a white cotton lining. Overall Dimensions: Dia. 19" x H 28" Socket Type: Type A- E26, 3-Way Socket Wattage: 150 Switch Location: At Socket Switch Type: 3-Way Rotary
