

LATHAM CREDENZA

SKU: DCR3150

The Latham Collection captures relaxed elegance. Reclaimed Peroba veneers, sourced from Brazilian rainforests, are a nod to Bina's signature raw-yet-refined aesthetic, and provide the perfect counterpoint to natural-colored, faux shagreen door fronts. Sleek stainless steel handles add a touch of glamor, and keep this piece contemporary. Inside, two open shelves provide ample storage space. Due to the nature of shagreen, the coloring may vary from one piece to another, these differences add to the natural beauty of the product. The color may also vary with time. Dimensions: W 44" x D 18" x H 27"
