

## STACKED WALL RING

SKU: PHI1052MD

With a hint of tribal chic, the Medium Stacked-Ring Wood Wall Art was created when circlets of chamcha wood were carved and slid onto the frame in a process similar to how a necklace would be made. This illustrates not only the talent of our design team to come up with such unusual stylistic statements, it also proves the dexterity with which our craftspeople execute their work. This piece is crafted from natural solid wood. Color and character of wood grain may vary and natural cracks and holes may be present adding a unique character to your piece. Dimensions: W 30" x D 4" x H 30"
