

## SIDE TO SIDE CHAIR

SKU: CRA325

Bringing the beauty of nature indoors, this lounge chair introduces a relaxed, yet refined style in a mix of organic textures and materials. Inspired by a woven bamboo chair seen while traveling in New Zealand, it features a softly curved rollback and seat. Side panel accents depict the intricately varied pattern of spalted maple, digitally printed on maple veneer. Covered in a multicolor, textured performance fabric, contrasted by splayed legs in an earthy Forest finish. Dimensions: W 28.5" x D 31.5" x H 31.75"
