

GREEN PRIMAVERA VASE

SKU: BGW209GL

Light and dreamy with airy gradients of color, the Primavera Vases, available in large and small, are a splendid trio of vases that elevate any decor scheme with gallery-worthy design. In Italian, “primavera” means springtime, and these pieces certainly embody that sense of seasonal freshness. Each sleek and slender piece has been masterfully crafted using studio art techniques, from the formation of the mouth-blown glass to the hand-cutting and hand-shaping of the silhouettes. To achieve the magical effect of alchemized glass, our artisans apply a multi-step process which results in the elegant ombre coloring. Due to the handmade nature of these pieces, expect one-of-a-kind vases that variate in size and hue. Style these unique pieces together on a console or side table, or place them throughout a room to create a cohesive
