

MANO STATUE

SKU: BGW212S

The Mano Statue is a witty addition to pop-culture inspired art. Available in large, medium and small. The solid metal is gold-leafed to perfection thereby marrying the delicacy of leafing with the solid weight of the casting. Molded after hands and feet, the Mano Statie feels like a precious curio from a past world tour, snagged from the market of a far-off country. The original forms are handmade by our master artisans and hand-cast into the pieces you see here. The graduated sizes each of the hands makes their uses endless—You can arrange them as decorative objects on a shelf, for example, together or separately, or deploy them at your desk to hold small items. If you're looking for a dash of the unexpected, the Mano Statues are for you. Dimensions: W 3.5" x D 3" x H 4.5"
