

## Martini Glass

Short Description: Red Rose

SKU: BOH1000MRR

**\$60.00**

Piece together a warm and inviting cocktail hour that has a look that can't be matched with the Red Rose Martini Glass. A transparent pedestal stem supports the hand-blown design that yields an amber mosaic bowl. Because you'll want these to last, hand-washing is recommended for these hand-crafted pieces. Original designs from Old World artisans in the Czech Republic. Each glass is hand-blown using methods pioneered and applied by Czech masters for centuries. Glasses are lead free, easy to clean (recommended hand wash and cloth dry), and very strong. Due to the hand-blown nature of our glassware, each glass will vary slightly in size, shape and color pattern. This is to be appreciated, as each piece created is one of a kind. Experience a new kind of hospitality. And then share it with others who can appreciate your good taste! Dimensions: 14 oz.
