

DISH SOAP

SKU: FAP1050

This concentrated dish detergent cuts through grease to deliver superior cleaning power compared to regular detergents. Chlorine and phosphate-free, the PH-balanced formula is made with natural cleaning agents derived from coconut oil and cornstarch, and contains no petroleum or chemicals found in conventional products. This fragrance captures the gentle spirit of the sun-kissed Mediterranean. Fresh notes of Amalfi lemon paired with aromatic Cypress give way to a warm and delicate fleur de sel heart. Dimensions: 16.9 oz
