

# Coral Pot

Short Description: Small

SKU: ACD151SM

**\$80.00**

The Coral Pot looks like it was sourced from the bottom of the sea; instead, it was artisan-made, hand-cut, & twice-burned for a reactive glaze look. It's food-safe to use as a fruit bowl, or as a decorative object for votive candles or botanicals. Dimensions: W 8" x H 6.5"
